THROUGH YEARS OF EXPERTISE, GRANDHALL BARBECUES HAVE THE BEST PERFORMANCE AND UNIQUE DESIGN

As one of the largest gas barbecue manufacturers, Grandhall has been conquering the world since 1976.

Grandhall is known for its innovative features, high performance, quality and stylish sleek finish.

Every product from Grandhall will awaken the Australian grill master in you and increases your passion for barbecuing by the minute!

What Grandhall really excels at is its diverse but consistently high-quality range of barbecues. There's something for everyone. Whether you're looking for a large, small or built-in barbecue, Grandhall has it. In recent years, our range of built-in of built-in barbecues has expanded in recent years. From offering just the barbecues, we have grown to offering a total concept.

Create your own outdoor kitchen with different kitchen modules, side burners, door frames, etc.
