COLLECTION 2024

FIRE PITS, GAS LANTERNS, PILLARS & PILLOWS

STAY WARM WITH COSI

A new addition to the Cosi heating textile collection is the Cosipouf. Just like the Cosipillows, the Cosipoufs are equipped with an infrared heating element which heats the body directly, making you feel wonderfully warm in no time. As a result, you can easily turn the thermostat down a degree or two.

SMOKEY EYECATCHER

The Cosiscoops with smoked glass fit a hotel-chic interior and garden perfectly. The beautiful dark glass gives the gas lantern that extra luxurious-feel. One of the new additions is the Cosiscoop Original clay smoked.

A brand new look in the gas lantern collection: Cosiscoops equipped with ribbed glass. This new type of glass gives the cosy flame a completely new appearance. Create a unique atmosphere in any indoor and outdoor space.

COSISCOOPS

- Easy to use
- Works on a 190 grams gas cartridge
- Burns for 5-6 hours
- For indoor and outdoor use

Did you know that our Cosiscoop gas lanterns can be used both indoors and outdoors? These lanterns are certified to use anywhere you like, as long as it is a well-ventilated space of at least 30m³. This way you can use your Cosi gas lantern all year round, to enjoy cosy moments with friends and family.
